Volunteer at Charles Barrett!

Are you talented?

The answer is YES!

Do you love Charles Barrett want want to help make it even better than it already is?

The answer is YES!

Then we need you to volunteer next year.

We have a several committee positions open for next year. We are specifically recruiting for a **fundraising committee** of 3-5 volunteers. In response to your feedback of the need to better coordinate fundraisers, we have decided to try a fundraising committee that would oversee and coordinate all fundraisers—Fall Appeal, Spring2Action, restaurant nights, etc...

The following are other committees that could also benefit from more volunteers. Some activities one-time events. Others run over a longer period of time. Some can be done entirely by one person, via phone/email on evenings and weekends. Others are a team effort and require more time in school. Whatever your preference, we have something for you.

Barrett Carnival
Family Fun
